

10-2 Reflections (Ver2)_hw

Graph the image of the figure using the transformation given.

1) reflection across $x = 1$

2) reflection across $x = -1$

3) reflection across $y = 2$

4) reflection across $y = 2$

5) reflection across $x = 2$

6) reflection across $y = -1$

7) reflection across $y = 2$

8) reflection across $x = 2$

9) reflection across $x = -1$

10) reflection across $y = -2$

11) reflection across $y = 1$

12) reflection across $x = 2$

13) reflection across $x = -3$

14) reflection across $x = 3$
